

PUSHPANJALI DRUMS PVT LTD

A person wearing an orange safety jacket with reflective blue stripes and an orange hard hat is seen from behind, standing in a warehouse. The warehouse is filled with numerous stacks of red metal drums, arranged in rows that recede into the distance. The lighting is bright, suggesting a sunny day or strong overhead lights.

PUSHPA "MAA" FOUNDATION'S Dada Dadi Park

Pushpa "MAA" Foundation's Dada Dadi Park is a special place that honors the memory of our founder, **Late. Vinubhai Valia** who was recently awarded the National Award by the President of India in recognition of his services towards elderly people. Serving over 10,000 members, there are three parks situated in Borivali West. They offer a variety of communal activities and celebrations like drama shows, cricket matches, fashion shows, and birthdays.

We support bright and underprivileged students through scholarships and contribute to meaningful causes. At our Karjat facility, we also provide donations in various forms to schools, retirement homes, and old-age homes, strengthening the communities around us. Visit one of our parks and experience the joy of being part of something truly purposeful.
